Oregon Labeling & Certification Law states that all nursery stock and other plant material shipped into or within Oregon must be accompanied by a nursery stock certificate and/ or the required permits or tags of the state of origin, and be free from injurious pests, diseases, and noxious weeds. Each unit (container, bundle, cargo box, etc.) must show that it contains nursery stock, seedlings, other plant material, or seeds, and must have conspicuously marked the name and address of the shipper and consignee, and where the product was grown.

Emergency Rule 603-054-0026 requires the receiver of all imported trees and shrubs to notify the ODA Plant division of the shipment no more than two days after the shipment. The ODA may require the material to be held for inspection and release. For further information contact the ODA, Plant Division 503/ 986-4644, fax 503/ 986-4786. Mail: 635 Capitol Street NE, Salem, Oregon, 97301-2532.
